Questions to ask when you call about a job

- Are you currently hiring in Edmonton or the Greater Edmonton area, and for which roles and shifts?
- Is this private pay, CDHCI / direct-bill, AHS / Assisted Living Alberta contracted care, or a mix?
- What is the wage range, and where should I send my resume — a specific email, an online form, or a hiring manager?
- What do applicants need (for example HCA certificate, CLHA registration, driver's licence and vehicle, CPR / First Aid, police or vulnerable-sector check)?
